

Arts Alive!

(Entering grades 1-8) Roosevelt Elementary, Olympia

South Sound YMCA

Art, Theater, & Film

For 15 years, Arts Alive! has provided kids in grades 1-8 the opportunity to develop skills in a variety of artistic areas. This unique camp teaches children art concepts and design, drawing and painting, music and dance, costume and prop creation, and theater.

This year Arts Alive! is thrilled to announce two exciting events that will make this *the* ultimate theater camp. First, Arts Alive! will perform a musical revue that will highlight songs from all the performances of the past 15 years, from *Annie* to *Aladdin* and more.

Parent's Night Gallery and Performance:

Tentatively Scheduled for Thursday August 12, 2010

Also, this year Arts Alive! will integrate the **Lights! Camera! Action!** (see details below) camp into its program. Now campers can fully emerge themselves in all elements of theater and film making. Activities will include singing, dancing, producing, set design, editing, acting, directing, and much more.

Campers will also indulge their inner-Picasso with lessons in water color, pastels, photography, collage, sketching, and drawing.

A note on the last two weeks of camp:

Arts Alive! has its official last day on **August 20th**; however, for the remaining two weeks of summer camp left, this site will function as a traditional day camp. Activities will be based on a mixed-curriculum that will include group games, sports, and arts and crafts. It is possible that the last couple of weeks of day camp will be held outdoors in order for the school to prepare for the academic year. These weeks are always the coolest of the season so be sure to wear and pack warmer clothes.
