SOUTH SOUND YMCA | 2021

JUSTICE FOR ALL

At the Y, we journey alongside our partners, identify and remove barriers, and provide resources so all people can thrive. By creating spaces for honest dialogue, learning and growing together, and finding big and small ways to challenge the status quo, we bring change from desire to action.

FOSTERING HEALTH

\$135,000 Membership Support

By keeping our Y facilities open, families have a reliable partner in building and sustaining their physical fitness and mental health. Financial assistance removes barriers, so all people can choose what they need to heal.

SUPPORTING YOUTH

\$445,000 Childcare & Educational Program Assistance

Providing safe and reliable childcare services, gives parents the ability to choose to work without worry. Financial support offered to parents throughout the pandemic ensures our shared economic success.
